

THE LIST M

TOP INTERIOR DESIGNERS

We are delighted to announce *ML's* list of the top interior designers at work in the Mountain West today. The following list was compiled from recommendations of clients, vendors, professional organizations and readers. In addition, designers featured in *Mountain Living* since May/June 2021 receive a special highlight that mentions their most recent projects.

Keeping our readers in mind, we've organized the list to be user-friendly. You'll find designers listed by state and town; some firms have more than one office location, and we have listed only their main corporate location. (Designers who have been featured during the past two years but are located in an area outside of *Mountain Living's* editorial territory are grouped together at the end of the list.)

This year's list is illustrated with a few of our favorite high-country spaces featured in the pages of *Mountain Living* in the past two years. See more of each home at mountainliving.com.
